## Pennsylvania Veterans Registry

With more than 700,000 veterans scattered throughout 67 counties in Pennsylvania, it is important for the Department of Military and Veterans Affairs (DMVA) to connect with veterans and their families to inform them about the programs and services available thanks to their service. To help make this important connection, the DMVA created the PA Veterans Registry.

All veterans are encouraged to sign up for the free, electronic Registry. Family members of veterans and people who work with veterans are also encouraged to connect with the DMVA by signing up through the Registry. You do not need to be a veteran to register.

## MOAA PITTSBURGH HISTORIC CORNER

Our organization's (MOAA Pittsburgh) *60th Anniversary* will be November 11, 2025. We were originally named the Steel City Retired Officers Club (Steel City ROC). We were then affiliated with TROA (The Retired Officers Association) which was renamed MOAA (Military Officers Association of America) on January 1, 2003. Below is a Certificate that MOAA National presented us with for our 50th Anniversary. Most unlikely that MOAA National will present us with a 60 Year Anniversary Certificate, but we will celebrate with a cake at the October Luncheon.

The Old Guard Quarterly Brainstorm Lunch took place at the Waterfront Bravo's on February 6, 2025. Many ideas were discussed. It was a very productive meeting.
